

Denia Flat, sunny building plot close to the town, at an attractive price **€ 199.000**

On this plot of 832 m2 you can realise your dream of a house exactly according to your needs. Whether it's a house for a well-earned retirement or for a family to grow up in - the plot leaves all options open on one or two floors. The location is ideal: sunny and quiet on the outskirts of Denia. It is a developed neighbourhood with a green zone, pavements, well-kept houses and villas. The plot borders on the Les Planes green zone. The price is very attractive. Call us for a viewing and further information and secure this plot before other people start building there! This building plot could be ideal for you!
