

Vergel Apartment with 3 bedrooms, 2 bathrooms, garage and storage rooms. Pool

€ 230.000

Beautiful flat on the outskirts of Vergel, in a quiet location, in a well-kept complex. You enter the flat through a covered entrance area, which is already a small south-facing terrace where you can enjoy the sun with a coffee in winter. To the left is a large fitted kitchen with utility room. Opposite is a shower room. The bright living/dining area leads to the large covered and open terrace and from there directly to the pool and garden. A comfortable staircase leads to the upper floor, where there are 2 double bedrooms, a single bedroom and a large bathroom. There is also a south-facing and a north-facing terrace. The flat has a large garage with 2 storerooms and plenty of storage space, with direct access to the flat. This means that there are no neighbours either below or above you, which means that you are actually buying a terraced house. The flat is being sold unfurnished. This flat is suitable both as a holiday home and as a year-round residence. Shopping facilities within walking distance, beach or Denia and motorway access nearby.
